On Pentecost Sunday, 1994, Church of the Reconciler celebrated its first worship service, on its way to becoming a multicultural/interracial United Methodist congregation. The building was filled with friends and supporters. Many returned to worship with us regularly; many others continue to lend their support with prayers and donations of time and money. Now, with over 100 commitments to charter membership and nearly 100 people worshipping at this location every Sunday, with ministries for the homeless community in place and plans in the works for more community projects, we at Church of the Reconciler are ready for the next step.

On Pentecost Sunday—May 26, 1996—we will charter as a United Methodist Church. Continuing in our commitment to be a multicultural/interracial United Methodist congregation, we will take our place in the North Alabama Annual Conference.

Please join us as we celebrate this joyous event.
